**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am petitioning for the right to other providers beyond ATT&T. It has been almost forty years since the monopoly was supposed to be broken, yet the practicalities of competitors has been thwarted through time.

I chose Sonic because of their extraordinary customer service. One of the only companies that responds with a first tier person on the line, rather than a complex series of mechanized prompts.

Still, their ability to provide optimum service is controlled by ATT&T. I understand now, that despite agreement to the contrary, this may be revoked, and they (and I) will continue to be dependent on ATT&T infrastructure. I petition for the broadband promised through Sonic, and hope you will remain true to your promise.

Sincerely,

Jackie Hewitt
